

UPCOMING TRAININGS...

Medical Marijuana

-Friday, April 20th: 9am- 4pm, Cost \$40

-6 CEUs (included in cost), Presented by Michael Palladini

The PA Dept of Health has instituted a medical marijuana program within the state, and the potential impact on substance abuse treatment providers and individuals is being considered.

Please join us for a training and discussion on this topic that will include:

- Understanding the history of the cannabis plant
- Understanding the medicinal and recreational uses and effects of THC, CBD and various plant components through a discussion of identified pharmacological properties
- Understanding the current US legal environment for cannabis and hemp
- Understanding the PA Medical Marijuana Program
- Addressing and discussing the treatment implications of marijuana use

PTSD and Addiction

-Friday, April 27th from 9am- 4pm, Cost \$10

-6 DDAP Credit Hours & 6 CEUs*

-Presented by Victoria Lahey

Ethics

-Friday, May 18th from 9am-4pm, Cost \$15
