Dear Parents,

We Belong Together is a program of the Student Nonprofit Alliance at Slippery Rock University and is funded by Butler County Human Services. We Belong Together strives to create fully inclusive communities across Butler County.

This fall we received a small grant from the SRU Community Engagement Learning Center to organize a fully inclusive event (T.I.E.) on the Slippery Rock University campus. SRU's first annual T.I.E. will take place on Saturday, April 14, 2018 from 6:30 pm to 8:30 pm in the Ballroom of the Robert Smith Student Center at Slippery Rock University. SRU's first annual T.I.E will bring together our campus community and individuals with intellectual disabilities and their families for an evening of fun, crafts, games, music and food. Please save the date! We hope you will consider registering your child for SRU's first annual T.I.E.

We will be offering buddies who will accompany your child through the various activities should your child be interested.   Should you feel more comfortable accompanying your child through the various activities, you are welcome to do so.   Parents who would like to spend time with other parents, have a snack and relax a bit may do so in the Lounge Area adjacent to the Ballroom.

We look forward to spending an evening with you and your family this spring. If you are interested in getting more information about the SRU's first annual T.I.E. Please contact Elizabeth Wolfe at EJW1009@sru.edu. Registration materials are currently available on Eventbrite at www.goo.gl/gTBFgG   or you may scan the code to the right and it will take you to the Eventbrite registration page.

In the meantime, we're looking forward to this
Totally Inclusive celebration of Spring!!!!
