

JASON FOUNDATION FIRST RESPONDER TRAINING

MAY 18 | 12PM - 130PM

FREE REGISTRATION | WEBINAR | SPEAKER CORY WATKINS

This training webinar was developed by The Jason Foundation, Inc. specifically for First Responders to educate them about the danger of youth suicide as well as suicide within their own profession. This training is designed so that First Responders can be more aware of the warning signs and elevated risk factors associated with suicidal thoughts that could indicate someone they come in contact with, professionally or personally, maybe in need of professional help.
