Gambling Council  
presents**

**Gambling, Gaming and the Impact of COVID-19**

April 13, 2021

10:00 am—11:30 am

**Presenter: Josh Ercole, Executive Director of CCGP**

Participants will learn about the problems that may be associated with gambling, gaming and the impact of COVID-19, how the problems may develop and overlap, and what help is available for someone who is suffering from gambling disorder and gaming addiction.

We will also discuss the impact that COVID-19 has had on the availability, participation and, in some cases, the issues related to these activities.
